

## Report on Student Centric Methods adopted by Khejuri College

Khejuri College focuses on interactive and participatory approaches to learning which not only enhances the joy of acquiring knowledge but proves more effective in implementing acquired knowledge in the practical arena. In this context, the various measures which the college increasingly tries to implement are summarized as:

- Field Work/ Study Visits/On-Job Training Tour/ Excursion
- Project Work
- Seminars/Webinars/Workshops/Special Lectures
- Value Added Courses and Capacity Building Initiatives
- Film Festivals, Cultural and Poster Competitions
- Magazine and Wall Magazine
- Extensive Laboratory Engagement
- Self-learning from Online Resources
- Cultural Competition
- Mock Parliament/Adventure Camp/ Pre-RD parade
- Extension / Outreach Activity
- Participation in Sports and athlete meet

# KHEJURI COLLEGE

## Field Work/ Study Visits

**Field Work by the Department of Geography at Simlipal, Orissa (2022-23)**

**Study Tour by the Department of Aquaculture Management (2022-23)**

On-Job Training Tour by the Department of Aquaculture Management (2022-23)

Field Work by the Department of Aquaculture Management (2022-23)

# KHEJURI COLLEGE

**Study Tour to Bichitrapur (Orissa) by the Department of Bengali (2022-23)**

**Study Tour to Purulia by the Department of Bengali (2018-19)**

# KHEJURI COLLEGE

**Field Work for dissertation by the Department of Sociology (2022-23)**

# KHEJURI COLLEGE

## IMPACT OF SNAIL ON AQUACULTURE MANAGEMENT

Submitted by-

**PRAKASH DUARI**

Registration No-1220667 of 2020-2021

Roll No- 1126122-200025

### PROJECT WORK COMPLETION CERTIFICATE

This is to certify that Mr./ Ms. Prakash Duari, student of B.Sc. Aquaculture Management (Hons.) 6<sup>th</sup> Semester, bearing University Registration No: 1220667 of 2020- 2021 and Roll No. 1126122-200025 has successfully completed Project Work title "IMPACT OF SNAIL ON AQUACULTURE MANAGEMENT" under my supervision from 20<sup>th</sup> January 2023 to 19<sup>th</sup> July as requirement for Aquaculture Management course.

He/ She has actively participated in the project work and fulfilled all requirements relating to the submission of the project report. The project is an outcome of his/ her own investigations and, the work, in part or whole, has not been submitted for any degree anywhere. The secondary data sources used in the work have been duly acknowledged.

I wish him/ her every success in life.

## Project Work, Department of Aquaculture Management (2022-23)

### 5. Materials & Method :

#### ❖ Effect of snail in fresh water fish and prawn culture:

In fresh water fish culture the main and important cultivable species are the major and minor carps. In India one of the most consumed species are the carps. In their culture process the water quality and the environmental parameters are the main issue. But in pond we can see the more and rapid growth of snail. Though their effects on the culture is not more. But can give effect on the water parameters. Because of taking oxygen minerals and other organic materials. Over growth of snail can effect badly on the culture. It can spread a lot of disease.

#### Biological Profile:

- Internal parasites.
- Size, shape and habitat are varying.
- Complex life cycle.
  - Several hosts are involved.
  - Sexual and asexual reproduction seen in these hosts.

#### Effects:

- Most snails not a serious threat to fish health.
- Undesirable presence
  - Producers
  - Anglers
  - Consumer

In case of fresh water prawn culture (*Macrobrachium rosenbergii*) the snail can't do a major effect. But through snail a lot of grub can spread a lot of disease. Those are effected through the life cycle of snail. If any fish should be effected by the grub then it should not be treated. The disease are discussed shortly in the following

#### ➤ White Grub

Often overlooked by the consumers and producers.  
Size-1mm  
Location – heart, liver, kidney

#### Pond strain-

*P. minimum* (Sun fish)

10

### Vitamins

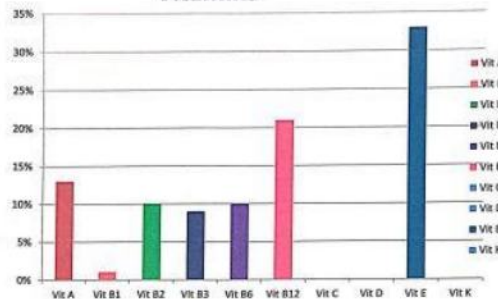

Fig - Vitamins in snail flesh.

### Minerals

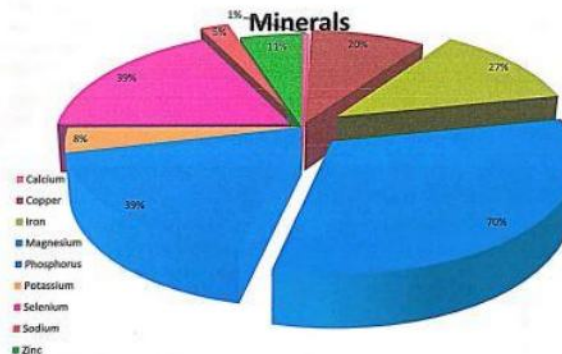

Fig - Minerals in snail flesh.

**KHEJURI COLLEGE**  
DEPARTMENT OF ENGLISH

### NAME OF THE ADD-ON COURSE – SPOKEN ENGLISH AND COMMUNICATION

Duration: 22.05.2023 to 26.05.2023 (30 hours) Academic Session: 2022-23

### Course Particulars:

Globally, English is the most popular language spoken in almost all countries. Good English speaking ability is one of the requirements that can play an important role in our life. In the competitive global economy of today, the students can make themselves efficient if they are fluent in English. Wherever we go, we will find English handy. Be it at communicating in different countries, official works, reading books and surfing digital media.

In consideration of the necessity of acquiring English communicative abilities, English Dept. of Khejuri College is going to introduce the course of Spoken English. This course will provide the students with the information of integrated general English knowledge with spoken ability. This programme will comprise of 30 hours of spoken language classes. The focus of this programme is on the development in communication skills through a balance of speaking, listening, reading & writing tasks. Classes will be interactive & engaging & learning is based on class activities, individual, pair & small group work. At the completion of this programme, the participants' ability & confidence in communicating in English in social situation will have greatly improved. All the participants will be awarded certificates & progress report at the end of the course.

### Course Objectives:

- To teach the students basic English Verbal Communication.
- To acquaint students with basic English word forms – nouns, adjectives, preposition, conjunctions, adverbs etc.
- To teach the students basic English sentence construction.
- To acquaint students with real-life communicative situations like interview.
- To make students aware of common errors in English communication along with English Idioms and Phrases.
- To encourage students in Listening and Reading English Language through various media like books, films, news etc.
- To develop basic Writing skills.

### Course Structure:

The course is to be completed in 30 hours. The course is divided into 15 credits (2 hours = 1 credit). A student has to earn at least 80% of the total credit in order to get Certificate for Course Completion.

Eligibility – Only B.A. English (Hons.) and B.Sc. (Hons. & Gen.) students may apply.

Course Fee – Free of cost

How to Apply – Interested students can contact Course Co-ordinator and submit it in the Department of English within 19.05.2023.
